## Vineyard Gumbo

Festival of New Orleans music, food, and culture on Martha's Vineyard. Celebrate the unique and wonderful spirit of New Orleans while raising awareness of the ongoing struggles faced by the entire city as they work to rebuild their homes and communities in the aftermath of Hurricane Katrina. Vineyard Gumbo will provide a much needed opportunity for New Orleans musicians and chefs to perform and create during the summer months and connect with the generous and supportive community of Martha's Vineyard.

LOHMAN BROTHERS PRODUCTIONS
